MARCH 2004**

Interparts Europe Limited February Offer 7.5% Discount on all Products EXTENDED TO MARCH 2004

Interparts Europe Limited has the pleasure of announcing the continuation of February's 7.5% discount.

This **offer will be valid only** for the month of **March 2004**, subject to availability and will not cover backorders that are held with us.

To qualify please fill in the attached form and fax it back to us by 9th April 04.

Fax + 44 (0)20 8655 2865

✓ **NEW
PROCEDURES**

New labelling procedures

To further assist our customers, our CV joint products will now be labelled with 2 new labels.

1. On the outside of the box there will be a label clearly displaying technical specifications and individual contents of the kit (e.g. OJ-1437, BT-96, SR-275165, SN-0035, ABS-OP-01).
2. Inside the top lid of the box there will be a label in four European languages, advising to check the correct fit of the CV joint before charging with grease.

This will undoubtedly help our customers and the end user.

✓ **CD-ROM
CATALOGUE**

CD-ROM CATALOGUE UPDATE

Since the release of our CD-ROM catalogue, we have added more applications along with new references that have recently become available from our product development programme.

We are now proud to release our first update patch that refreshes the database resident in the original CD-ROM catalogue.

Kindly contact our office for more information.

✓ **NEW WEBSITE
LAUNCHED**

The new European website is now available to support the range of products that we serve the market with.

Whilst complimenting our parent company's operations via www.interparts.com, the Interparts Europe website has been launched with the accommodation of European languages.
